COMMUNICATION AND SOCIAL MEDIA GUIDELINES

MHNA Rep Coaches are bound by Netball Australia Child Safeguarding Policy, Appendixes, the Netball SA Addendum, and MHNA Social Media Policy.

Please familiarise yourself with these documents.

1. All player email or SMS communications will be directed through their parents.
2. Any form of group communication with players under 16 must include their parents – Heja or Facebook Messenger are the only approved platforms.
3. Rep Team social media is directed through the MHNA Facebook and Instagram and will be used for the following purposes:
 - a. Reminders – nominations, trial dates, raffles, carnivals
 - b. Results and achievements
4. Permission to use images is required from all players and is to be included with Rep Team player paperwork on selection in a team. If permission isn't granted by any player, they must be excluded from any image to be used for social media.
5. Any personnel using images for their personal social media, need to be aware of the above permissions and the MHNA Social Media Policy in making representation as an official of the Rep Team program.
